A Lifetime Membership into the Silva Method Community and Reviews Privileges!

**After attending the 4-Day Immersion for the first time,
review only for a small nominal seat charge:**

Silva Life & Intuition Graduate Review Seat Charge for Silva Method: \$275 for all 4 days!

This is a key added value benefit that's completely unique to the Silva Method. Why? Because repetition is necessary in order to create lasting change and new neural pathways. Each time you retake or refresh in the course you have different "a-ha" moments and may learn new ways to apply what you already know as you can take those reviews with different educators in the field.

Most personal development training charge you full price for review. Silva offers you review for less than the initial one-time investment cost.

It is very common for Silva graduates from 10, 20 or even 40 years ago to come back for these refreshers and in an immersion experience to have both new students and Silva Method practicing graduations so everyone receives the benefit of each others' perspectives

In addition to your lifetime review benefits, you will also receive a 90 days of support that includes:

- 3 x 60 minute monthly, additional, Complimentary group coaching sessions with our experts to help you customize your Silva skills into your lifestyle 90 days after graduation .
- Eligibility to attend specialized Silva Advanced Graduate Support Programs and Workshops for your on-going education. These graduate programs are excellent for your continuing education.
- Silva Method Graduate Group Meet Ups (Free to Attend) first Monday of every month join graduates as we gather together to practice case working and celebrate the progress of how graduates have incorporated the Silva Techniques into their lives!

- A community of graduates and country-wide graduate group meeting times.
